To Whom It May Concern,

RE: Jill Garrison

I am sending this letter as reference for Jill Garrison who has completed numerous painting projects for Lennox and Addington Interval House. She has completed work both at the shelter and in our second stage housing program.

Jill is a competent and detailed worker who demonstrates excellent skills. Jill has completed all of the jobs that she has done for us in a very thorough manner and works with no supervision. She has always worked from start to finish never leaving a job half way through to go and work at another site.

If you would like more information please do not hesitate to contact me and I will gladly discuss our experiences with Jill's work.

Sincerely,

Sue Weir
